

Your First Test Day

POOLED TESTING

Reviewing all material below should take approximately 20 minutes

1. Review this 2 minute overview video of the pooling testing experience:
 - Video: [How it Works](#)
2. Read this article to understand how to set up your testing location:
 - [Site Set Up and Workflow](#)
 - [Supplies Checklist](#)
3. Review the Before Test Day, During Test Day, and After Test Day Checklist:
 - [Test Supervisor- Checklist and User Guide](#)
 - [Instructions for Swabbing](#)
 - [Instructions for Observing](#)
 - [Pool Management Tracker](#)
4. At the end of your test day, register your tubes in the Concentric Testing Portal, prepare your samples for shipment, and arrange for courier pickup.
 - [Instructions for Preparing Your Shipment](#)
 - Video: [How to register pooled tests](#)
 - Video: [How to use your barcode scanner](#)
 - [Barcode Troubleshooting](#)
 - Video: [How to void a tube](#)
 - [Instructions for Arranging a Courier Pickup](#)

FOLLOW UP TESTING

1. Check out an overview of the rapid antigen testing process here:
 - [Process Overview](#)
 - [Quick Reference Guide](#)
 - [Test Supervisor- User Guide](#)

2. Review the Instructions for Use.
Ensure that you have reviewed and understand the IFU for your test prior to Test Day.
 - [BinaxNOW](#)
 - [CareStart](#)

3. Watch the training videos.
All Health Care Providers (HCPs), or other qualified personnel per state requirements, must watch the training videos for their test type prior to the first test day:
 - Videos 1-4 (~10 minutes) : [BinaxNOW](#)
 - Video (~2 minutes): [CareStart](#)

4. Perform a self-test. (~30 minutes)
To complete [training](#), you must complete a self-test by running the positive and negative controls as outlined in the IFU. If you do not pass the self-test, repeat Steps 1-3.

5. **CALIFORNIA ONLY:** Record completion of your training.
Follow the [link](#) and record results to ensure completion.

6. **CALIFORNIA ONLY:** Send your resume to Concentric by Ginkgo.
All Health Care Providers (HCPs), or other qualified personnel per state requirements, must send their resumes to Concentric by Ginkgo to the following link: <https://www.concentricbyginkgo.com/resume/>.
 - To review what constitutes qualified, please refer to the [CA State's regulations](#).

7. Read these articles to understand how to set up for testing:
 - [Materials Checklist](#)
 - [Sample Floorplan + Set Up](#)

8. On test day, register the test kit to the individual, collect the sample, and record the result.
 - Video: [How to register a test kit, record result, and void a test kit](#)
